All,
Please find attached PFAS Mgmt Plan new chemicals piece with my edits and additions of numbers and text to explain by CCD.
If you are good with this version, we will send on to OW.

Thanks Tala. These are helpful edits. If we put some numbers and clarify that they are as of X date (and note in a footnote that these numbers change) would this be helpful to give a sense of the numbers?

Many thanks Jeff.
I made a few additions and ask if it might be helpful to add some numbers- which hopefully we have from all the press questions.
Further suggestions welcome. We probably need to get this to OW Monday or Tuesday.

Thanks,
Nancy
